

DataCOT

DataCOT is a rugged compact steel or aluminum design with SATA or SAS drive and host capabilities within a 5.25" peripheral bay. Its versatile design addresses today's weight, width, height and depth requirements while providing exceptional drive protection and flawless integration for almost any application. Interconnect mating connectors support 50K interchange for a lifetime of continuous insertion cycles. Board and connector quality and durability assures data signal integrity for the life of the product.

Features

- Compact mechanical and lightweight design
- Available in steel or aluminum construction
- Supports any 3.5" low profile 3Gbp/s SATA or SAS disk drive
- Rear connectors SATA and SAS capability
- Includes 15pin and 4pin power connectors
- 50K high rated mating connector(s)
- PCB board thickness 0.093
- Handle non-mechanical, zero tolerance
- Key lock and activity status LEDs
- MagLev cooling fan
- Internal cable-less connector
- Limited lifetime warranty
- Manufactured in USA – ISO 9001:2000
- UL recognized
- RoHS compliant
- Hot swap capability (optional)
- Dimensions: 5.75"W x 1.63"H x 7.90"D
- Weight: Steel complete assembly 2.9 lb
- Weight: Aluminum complete assembly 1.3 lb

Applications

- Drive Swapping
- Physical Data Security
- Disk-to-Disk Backup
- Testing
- Transporting Data
- Audio & Video Editing
- PC Sharing
- Media Archiving

PART #	DESCRIPTION
RDU1101	Steel SATA/SAS Frame & Carrier, Black
RDU1102	Steel SATA/SAS Frame Only, Black
RDU1103	Steel SATA/SAS Carrier Only, Black
RDU1201	Steel SATA/SAS Frame & Carrier, Beige
RDU1202	Steel SATA/SAS Frame Only, Beige
RDU1203	Steel SATA/SAS Carrier Only, Beige
RDU11201	Aluminum SATA/SAS Frame & Carrier, Black
RDU11202	Aluminum SATA/SAS Frame Only, Black
RDU11203	Aluminum SATA/SAS Carrier Only, Black
RDU12201	Aluminum SATA/SAS Frame & Carrier, Beige
RDU12202	Aluminum SATA/SAS Frame Only, Beige
RDU12203	Aluminum SATA/SAS Carrier Only, Beige
RDU13201	Aluminum SATA/SAS Frame & Carrier, Chem Gold
RDU13202	Aluminum SATA/SAS Frame Only, Chem Gold
RDU13203	Aluminum SATA/SAS Carrier Only, Chem Gold
